[Redacted]

2. Although you have answered these questions verbally in a clear manner, our Comptroller would like to know, for his guidance, that there are on file in this office decisions on finance questions not specifically covered in the basic financial plan or the joint letter of instructions to the Comptroller and training area chief.

3. If you do not consider an amendment to the letter of instructions necessary, we will appreciate your furnishing us with a written confirmation of your previous verbal advice on the above two points.
